Please Read The Following, Fill Out The Short Form Attached and Submit Payment

Trash Collection: All garbage must be **BAGGED, TIED** and set out by **8AM** every Wednesday. Curbside customers, place bags or trash cans at the end of your driveway, by the road. Valet Service is also available at an additional \$5 per month. This service is for customers who would like us to pick up at another location on their property (in the garage, carport, front porch, back deck, container outside etc.). Agreement is for a length of time selected by customer. Renewal will be required at the end of that period or pick up will discontinue. If a client doesn't have trash out for any reason there will be no change in the contract term unless special arrangements have been made. Services are nonrefundable, however may be canceled for any reason. All subscriptions are prepaid. Our residential trash options are 60 gallon or 150 gallon PER WEEK. Our payment options are monthly, 6 months or annually. Payments can be made online at www.backroadbaggage.com, by mail (275 Ida Hollow Rd. Luray, VA 22835) or in person at Long's Florist of Luray (Drop Box At Counter).
